And it appearing to the satisfaction of the Court that said petition is signed by more than 200 legal tax-paying citizens and qualified voters of Iron County, Missouri, and that said petition sets forth the object and purpose for which said election is to be held, and that it is necessary for the County of Iron to incur an indebtedness in excess of the total income and revenues of the said County provided for any one year as limited by law, for the purpose of building, paving and maintaining paved, graveled, macadamized and rock roads and necessary bridges and culverts therein and thereon and that said indebtedness sought to be incurred therefore does not, including the existing indebtedness of said County, exceed in the aggregate 10 per centum of the value of the taxable property of said County as ascertained by the assessment next before the last assessment for State and County purposes.

It is therefore ordered and adjudged by the Court that a special election be held at each and all the Election Precincts in Iron County, Missouri, on

Saturday, the 13th day of December, 1919,

The same being within 45 days of the making of this order. Said Election to be held in the same manner as general elections are held; submitting to the qualified voters of Iron County, Missouri, for their assent, approval and adoption the proposition of issuing bonds of Iron County, Missouri, in the sum of \$200,000, the proceeds of the bonds to be used for the grading, construction, paving and maintenance of paved, graveled, macadamized and rock roads and necessary bridges and culverts in said County.

It is further ordered by the Court that the Clerk of this Court shall give notice of said special election by causing this order to be published once a week in four separate issues of the Iron County Register and the Arcadia Valley Enterprise, two weekly newspapers printed and published in Iron County, Missouri, the last insertion to be made prior to the date of said special election."

In the Probate Court of Iron County, Missouri, Tuesday, November 18th, 1919—third day of November term, 1919.

In the matter of the estate of Arthur G. Ricketts, deceased.

Now at this day comes J. C. Ricketts, Administrator of the estate of Arthur G. Ricketts, deceased, and presents to the Court his petition praying for an order for the sale of the following described real estate, situate, lying and being in the County of Iron and State of Missouri, viz:—

Beginning at the southwest corner of Joseph Reed Survey, No. 3174, thence north on the western boundary line of said Survey 28 3/4 chains to a corner, thence east 29 23 chains to a corner, thence south 7 degrees west 26 69 chains to a corner, thence west on the southern boundary line of said Survey 36 85 chains to the beginning,

100 acres; in township thirty-five (35), north, range three (3) east; Also, the south half of the east half of lot 1 of the northeast quarter of section one (1), township thirty-four (34), north, range two (2) east, containing 20 acres;

Because said real estate is heavily encumbered and the personal estate is insufficient to permit the redemption of said real estate; upon examination thereof, it is ordered that all persons interested in the estate of said deceased be notified that application, as aforesaid, has been made and unless the contrary be shown on or before the first day of the next term of this Court, to be held on Monday, the 9th day of February, 1920, an order will be made for the sale of the above described real estate of said deceased.

And it is further ordered that this notice be published in the Iron County Register, a newspaper printed and published in this County and State, for four weeks before the next term of this Court, and that the same be served on the heirs of said deceased, at least ten days before the next term of this Court.

A true copy of the record. Witness my hand and the seal of said Court. Done at office in the City of Ironton, Missouri, this 18th day of November, 1919.
